Chianti Wine Tour

Chianti Wine Tour

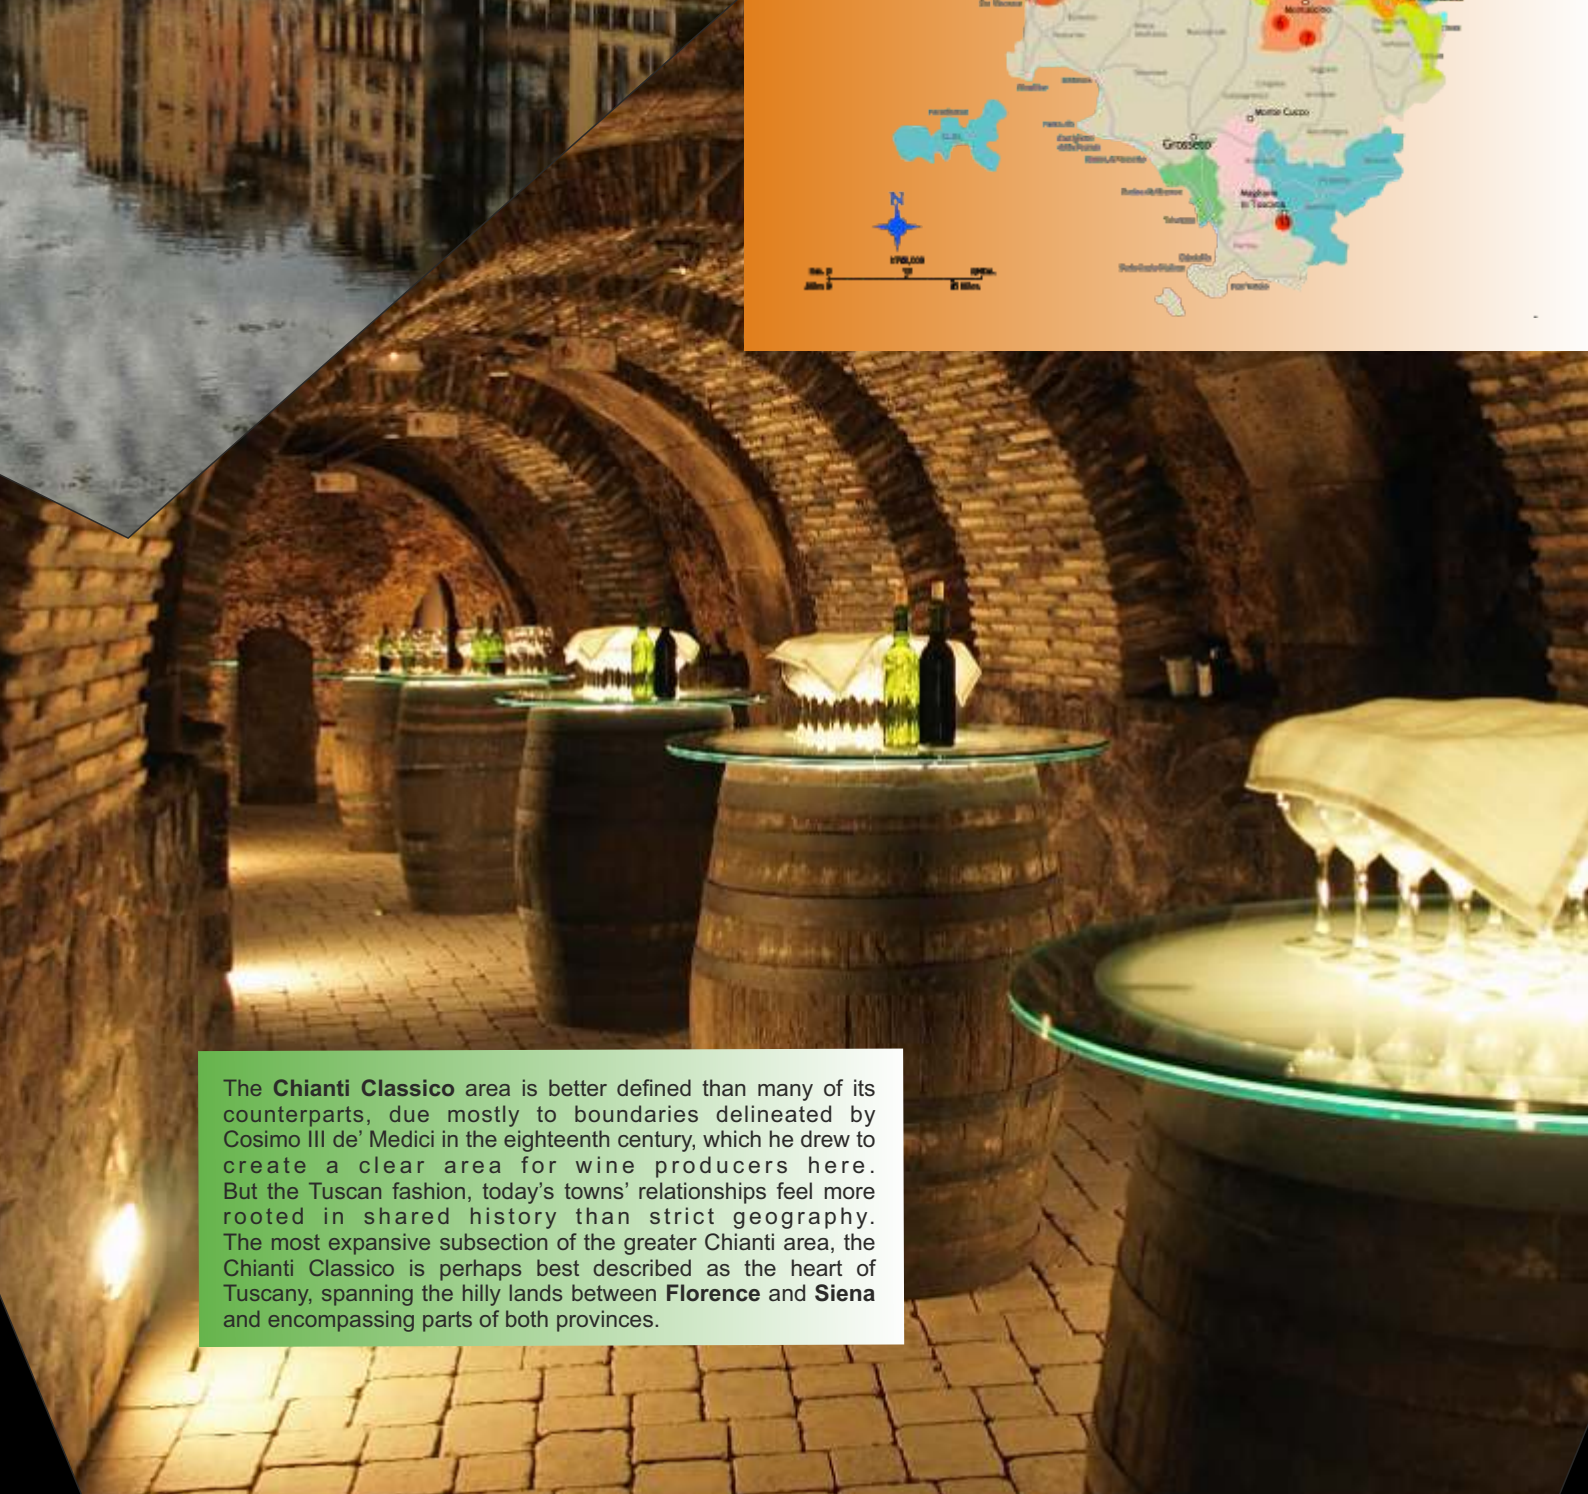

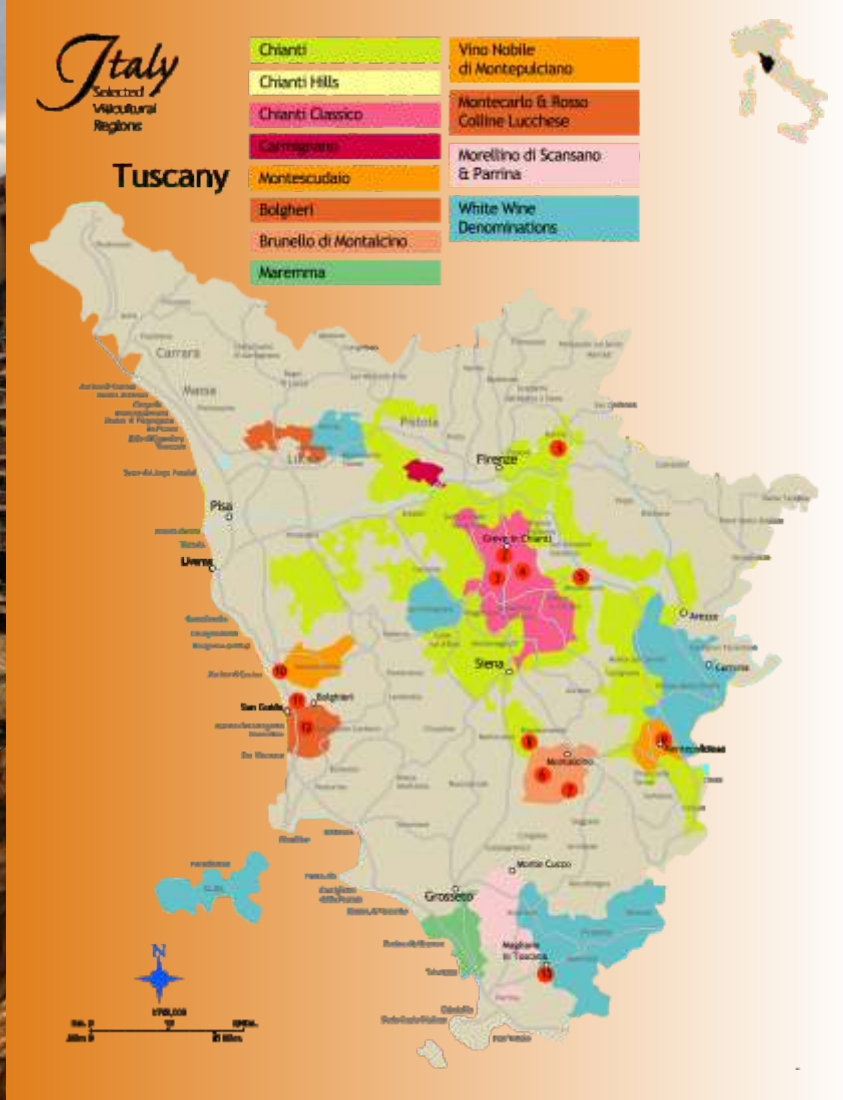

Tuscany is one of the most known in Italy for the production of wines. Explore and taste its products.

The **Chianti region** is Tuscany's wine-making powerhouse. Discovering the area provides a chance to visit wine-makers for tastings and enjoying the Tuscan countryside with its beautiful views and historical sites.

Italy and in the world the beautiful Tuscany

wine-making powerhouse. chance to visit wine-makers countryside with its

The **Chianti Classico** area is better defined than many of its counterparts, due mostly to boundaries delineated by Cosimo III de' Medici in the eighteenth century, which he drew to create a clear area for wine producers here. But the Tuscan fashion, today's towns' relationships feel more rooted in shared history than strict geography. The most expansive subsection of the greater Chianti area, the Chianti Classico is perhaps best described as the heart of Tuscany, spanning the hilly lands between **Florence** and **Siena** and encompassing parts of both provinces.

Food & Wine

While the rest of the world may talk about “Italian food”, each Italy’s regions is home to its very own cuisine!

Taste the best of each Italian Region!

GULLIES TOURS | DMC & T.O. organizes tailor-made tours in each region, including visit to vineyards, cellars and wine tasting to meet the producers or combine it with cooking classes, truffle hunting and tasty dinners.
